3. Tenders and amendments will be accepted in sealed envelopes or packages in accordance with the following conditions:
  - a) they should be properly identified on the outside of the envelope or package stating the Bidder's Name, Tender Reference Number, Tender Title and Closing Date and Time. Any bidder submitting a tender or amendment lacking this information on the outside of the envelope or package does so at that bidder's risk.
  - b) they are delivered to the address provided above on or before the Closing Date and Time.
4. Tenders or amendments sent by means of e-mail will not be accepted.
5. Tenders and any amendments sent by facsimile will be accepted in accordance with the following conditions:
  - a) tenders and any amendments must be received in full on or before the Closing Date and Time at the facsimile number identified above and include the Bidder's Name, Tender Reference Number, Tender Title and Closing Date and Time.
  - b) the BDIHSSA cannot guarantee the confidentiality of information contained in the tender or amendments.
  - c) the BDIHSSA will not be liable for any claim, demand or actions for any damages whatsoever should a facsimile transmission be interrupted, not received in its entirety, received after the stated Closing Date and Time, received by any other facsimile unit other than that stated herein, or for any other reason.
6. All tenders are irrevocable for a period of thirty (30) days from the Closing Date and Time.
7. If a tender or amendment contains a defect, or fails to comply with the requirements of this tender, the RDHSSA at its sole discretion reserves the right to accept the tender if it determines that the defect or failure to comply is immaterial.
8. In the event all tenders, or amendments, have material defects, or fail to comply with the requirements of this tender, the BDIHSSA reserves the right to either cancel the tender (a)) or to accept the tender deemed to be in the best interest of the BDIHSSA.
9. The lowest or any tender will not necessarily be accepted. The BDIHSSA reserves the right to cancel the tender, in whole or in part, at any time for any reason whatsoever, and may at the sole option of the BDIHSSA, re-issue the same thereafter, without incurring any liability to any bidder and no bidder shall have any claim against the BDIHSSA.
10. The BDIHSSA reserves the right to negotiate price, scope of work, or both, with the responsible and responsive bidder determined to have submitted the lowest bid after applying the Business Incentive Policy adjustment(s).
11. One of the priorities of the BDIHSSA is to ensure local and northern materials, equipment and labour are used to the fullest extent practical on any RDHSSA contract. Therefore, the Business Incentive Policy, 63.02 applies to this tender. Bidders can obtain information on the G.N.W.T. 14. All unit prices must be extended and totalled, and failure to do so will result in the bid being rejected as non-responsive. The extended price is derived by multiplying the unit price by the quantity of units required. In the event of an error in calculation of the extended price, the unit price will be taken as correct and will govern in the bid evaluation and resulting contract.
15. All prices must be quoted in Canadian dollars and are to be exclusive of the Goods and Services Tax ("the GST").
16. All documents, including tenders and amendments, submitted to the BDIHSSA are in the custody and under the control of the BDIHSSA. 17. Unless otherwise stated, equivalents to the goods detailed in this document are encouraged. Where goods are required to conform to "Standards specifications" (eg. CSA, CGSB, ASTM), or are described by a trade name, model, or manufacturer this is for the purpose of establishing and defining the nature and minimum quality acceptable but does not prevent bidders from offering alternative goods nor does it preclude the BDIHSSA from considering or accepting same. However, bidders should provide, with the tender, documents that clearly show that the alternative(s) offered equal or exceed the standards specified. The BDIHSSA, in its sole discretion, reserves the right to accept or reject the alternative offered as responsive or not responsive as the case may be.
