SPEAKER (Hon. Shane Thompson): I guess I'm supposed to recognize former Members in the House here; I'd like to recognize Cabinet Minister -- former Minister Paulie Chinna from the Sahtu, and my favorite MLA from Hay River South, presently, Mr. Rocky Simpson. So welcome to our Chamber.

Thank you, Members, for the trust you have afforded me as your Speaker. So far in our preliminary meetings as the 20th Assembly, I can tell this group is thoughtful, solution orientated, and most of all motivated to make this territory the best it can be. It will be my honour to serve as Speaker for the 20th Assembly of the Northwest Territories.

I want to those watching to know that while most well-known role of Speaker is to uphold the rules of decorum of the House, there is a lot more going on behind the scenes. As Speaker, I will also chair the Board of Management, which makes decisions and policies for the Legislative Assembly. I will also be responsible for educating residents about what it is that we do here, and I am energized to do this because I believe in this institution. Most importantly, I will continue to advocate for my constituents back home. My priority will always be the needs of my constituents. It is where I come, it is my home, and I will make their needs are met. Colleagues, I promise to do everything in my power to be a Speaker that enables in-depth debate of ideas and legislation, a Speaker that enforces the rules that allow us to exercise our freedom of speech while respecting privilege, order and decorum, and a Speaker that carries myself with the same tact and respect that I expect from each of us in the Chamber.

As you know, today we start a new generation of doing things differently. We started off with a prayer using our traditional language and this

will be continued every of our session. I will be talking to each Member to see if we have elders that we would like to bring in to come in and do opening prayer to make this a more inclusive Assembly for people in this House.

Mr. Clerk, would you please ascertain if the Commissioner of the Northwest Territories, the Honourable Margaret Thom, is prepared to enter the Chamber and open the first session of the 20th Legislative Assembly.

Commissioner's Address

THE COMMISSIONER OF THE NORTHWEST TERRITORIES (Margaret M. Thom): Mahsi, please be seated.

[Translation] I would like to say thank you for seeing everybody with all my heart. There are a lot of people that live in here in the Northwest Territories that I'm working on behalf of and representing. So I'd like to say thank you to each one of you. [Translation Ends].

It is once again an honour for me to be in this great House, and I'm pleased to welcome each and every one of you to the first session of the 20th Assembly of the Northwest Territories. I wish to acknowledge that the land on which we gather are treaty lands and the home to many Indigenous people, including the Dene, the Inuvialuit, Metis, and Inuit. We are grateful to be on this great land.

I begin by extending my sincere congratulations to the returning Members, three of whom were acclaimed. By being acclaimed or re-elected, it shows that your constituents have great confidence in you, and they know you will continue to serve them to the best of your abilities. I also extend congratulations to the newly elected Members of this Legislative Assembly and welcome you to our consensus form of government.

We must also take time to extend sincere thanks to the past Members who have served their constituents and our territory in this House. We thank them for their hard work and contributions to the betterment of the quality of

life for residents of the Northwest Territories. I know they are making plans to enjoy much needed time with their families and friends.

To all those who ran and were not elected, please know that your desire to serve the people of the Northwest Territories is greatly appreciated. I encourage you to continue to find ways to work for the benefit of all NWT residents.

I would like to welcome all guests in the public gallery and those who are watching these. Proceedings on television. In the public gallery and in the communities are spouses, families and friends who should be thanked for their continued love and support. As MLAs you will all need their support to carry out the important work that you will do for the people of our territory.

At this time, I would like to extend my sincere congratulations to the new Premier, Mr. R.J. Simpson, and his newly elected Cabinet:

- Mrs. Lucy Kuptana,
- Ms. Lesa Semmler,
- Mr. Jay MacDonald,
- Mr. Vince McKay,
- Ms. Caitlin Cleveland, and
- Ms. Caroline Wawzonek.

I would like to congratulate Mr. Shane Thompson as his acclamation as Speaker. The Members of this Legislative Assembly will be well served by the fair, good judgment, and experience you bring to this vital position. I wish you the very best and have every confidence that you will be successful in your role as Speaker. Mahsi cho.

As Members of this Legislative Assembly and of this House, you will be faced with many challenges during the next four years. Therefore, it is very important that you maintain a healthy balance in your life between work and family. Mental health is of the utmost importance. You will need to weigh your time, family, commitments, and important work that you will be involved in. Take care of your physical, spiritual, emotional, and mental health so that you can carry out your duties as Members of this Legislative Assembly.

My good wishes are extended to each and every one of you, and I am confident that you will serve your constituents and the people of the Northwest Territories with fairness and to the very best of your abilities. As elders say deliberate respectfully, be attentive, and listen

to each other and to your constituents. Share information and your knowledge so that you can make wise decisions.

Mr. Speaker, before declaring open this first session of the 20th Legislative Assembly, I would like to invite all Members and visitors in the public gallery to a reception in the Great Hall after the swearing in of the Executive Council, which will take place at 3 p.m. this afternoon.

As we approach this blessed festive season, I encourage you all to spend quality, meaningful, and joyful time with your family and friends. Participate in and enjoy all the festivities in your constituency as I am sure your presence will be welcomed and appreciated.

From the Office of the Northwest Territories Commissioner and on behalf of my family, I extend to you a very merry and safe Christmas. Safe travels as you journey home to your loved ones.

As Commissioner of the Northwest Territories, I now declare open the first session of the 20th Legislative Assembly of the Northwest Territories. Thank you. Merci Beaucoup. Mahsi Cho. Quanani. Koana.

MR. SPEAKER: Thank you, Members. We will now continue with the orders of the day. Item No. 3, Members' statements. Recognition of visitors -- oh, Members' statements; you're too slow, Member from Hay River South. Member from Hay River South.

Members' Statements

MEMBER'S STATEMENT 1-20(1): GRATITUDE AND SEASON'S GREETING

MR. MCKAY: Thank you, Mr. Speaker. December 5th recognizes International Volunteers Day. I express my gratitude to all the volunteers of the Northwest Territories; however, today I wish to take a moment to appreciate and extend my thanks, our thanks, to the emergency services across the region. A significant number of our fire departments in the Northwest Territories rely on volunteers who respond to local emergencies in a moment's notice, whether facing 30 degree temperatures, minus 30, plus 30, or dealing with emergencies of a variety of severity, these community Members willingly volunteer to answer the call of duty. It is imperative that our government acknowledge these individuals formally at some point and not rely solely on word of mouth.

Over the past weekend, I attended the 65th Annual Firefighters Ball in Hay River, the longest running annual event in the community.

This event serves as an opportunity to recognize the efforts of the local fire department and ambulance service. This year was particularly unique with the events of the past year, and it was shared with approximately 30 Alberta structural firefighters and representatives from the Yellowknife airport fire department. These individuals at a moment's notice came to Hay River to aid and assist in the wild land fire fight, contributing significantly to saving the community. They were duly recognized and appreciated for their commendable work.

Another exceptional moment was a recognition of one individual with over 40 years of service. Ross Potter, having served as a firefighter, a retired full-time chief. He continues to serve as a volunteer firefighter. Ross has played a pivotal role in the development of the training of the Hay River fire department and has been involved in training with local communities throughout the Northwest Territories. His dedication has earned him the title of Firefighter of the Year in Hay River which he last earned in 1984. On behalf of myself, I extend heartfelt congratulations to Ross and express gratitude for his service and dedication to the Northwest Territories.

And I would also like to take this time to thank all our emergency services throughout the NWT who protect us. Thank you, Mr. Speaker.

MR. SPEAKER: Thank you, Member from Hay River South. Member from Thebacha.

MEMBER'S STATEMENT 2-20(1):
GRATITUDE

MR. MacDONALD: Thank you, Mr. Speaker. Today I would like to thank the constituents of Thebacha. I want to express my heartfelt gratitude to each one of you for your trust and support in electing me to be your representative in the 20th Assembly. This journey has been made possible through the dedication and the hard work of my incredible election team whose commitment has been unwavering.

To my esteemed colleagues of the 20th Assembly, your trust and support mean the world to me. I am honoured and humbled to serve alongside each dedicated individual in this Assembly.

To my beloved family - my wife Karen, my children Jaycee, Shawn and Kurt - your unwavering support has been my anchor and I thank you for standing by me on this journey.

I am excited about the opportunity to contribute to our territory's well-being and, particularly, to working with all of the Members of this House.

With your commitment and support, I am eager to work collaboratively with all Members, the Indigenous and municipal governments of the Northwest Territories, and all of its residents, to bring positive change and progress not only to Thebacha but the whole NWT. Thank you, all. And Seasons Greetings. Mahsi cho.

MR. SPEAKER: Thank you, Member from Thebacha. Member from the Sahtu.

MEMBER'S STATEMENT 3-20(1):
THANKS TO SAHTU CONSTITUENTS

MR. McNEELY: Thank you, Mr. Speaker. I too would like to acknowledge the voting outcome of November the 14th and respectfully thank the voters in putting their trust in me from the Sahtu region and also thank the Members of the House here on their voting outcomes of yesterday. And in closing, I wish everybody a safe holiday season with their families and safe travels to wherever your destinations may take you and also recognizing the staff of the House and the people in the gallery, safe holidays. Mahsi cho.

MR. SPEAKER: Thank you, Member from the Sahtu. The Member from Monfwi.

MEMBER'S STATEMENT 4-20(1):
NEED FOR TLICHO ADMINISTRATIVE
REGION

MRS. WEYALLON ARMSTRONG: Thank you, Mr. Speaker. Mr. Speaker, I would like to start by saying congratulations to our new Premier-elect and Executive Council elected Members. I look forward to working with you all to advance our common interest in making changes to improve the lives of NWT residents, especially those in small communities; we have to remember them.

As we get to business in the 20th Assembly and establish the budget for the upcoming fiscal year, I want to make sure we take steps to establish a new administration region for the Tlicho. Over the past few years, I have raised this concern several times in the House. The Tlicho Land Claims and Self-Government Agreement was signed in 2003 by representative of the Dogrib Treaty 11 Council and the Government of the Northwest Territories and Government of Canada.

The government -- the GNWT recognizes the Tlicho are distinct. We have distinct language, culture, and way of life. Through the Tlicho agreement, the Tlicho gained the tools and resources to strengthen our economy and protect and promote Tlicho culture, language, heritage, lands and resources. Currently, the Tlicho Community Services Agency delivers a

number of programs and services including those from the Government of the Northwest Territories.

As more self-government agreements are signed and Indigenous government draw down jurisdiction for programs and services, the Government of the Northwest Territories need to adapt and reevaluate the current administrative region. Creating a separate region would allow us to make better decisions on behalf of Tlicho people and more authority to support Tlicho peoples' needs especially during times of emergency.

During the wildfire emergencies over 2023, it took days before the GNWT had meaningful discussions with this region and its leaders. We need to move away from centralized decision-making structures that fail to consider the needs of residents outside of Yellowknife. Mr. Speaker, I speak unanimous consent to conclude my statement. Mr. Speaker, I seek unanimous consent to conclude my statement.

---Unanimous consent granted

Mr. Speaker, the development of a Tlicho administrative region aligns with the spirit of the NWT's United Nations Declaration on the Rights of Indigenous Peoples Implementation Act, quote, The Government of the Northwest Territories is committed to taking effective measures, including legislative and policy and administrative measures in collaborations and cooperations with Indigenous people to achieve the objectives of the declaration, end quote.

To better serve Tlicho residents --

MR. SPEAKER: Member for Monfwi.

MRS. WEYALLON ARMSTRONG: I'm just concluding.

MR. SPEAKER: I will give you 30 extra seconds. Thank you, Member from Monfwi. Member from Range Lake.

MEMBER'S STATEMENT 5-20(1):
GRATITUDE AND HOLIDAY WISHES

MR. TESTART: Thank you, Mr. Speaker. Mr. Speaker, I want to start our first sitting, at least from my point of view, with some good vibes. I think we all had a long day yesterday but it's great to see we have a new Executive Council in place and Regular Members who are finding their roles to provide accountability and oversight for the next years of governance. And I want to congratulate Premier-elect and the Cabinet-elect.

I too would also like to thank my constituents. It's a joy to be back in the Legislative Assembly

speaking for my friends, my family, and my neighbours, my neighbourhood, and being able to be a strong voice for Range Lake after a period of time [indiscernible] at the Cabinet table. I think it is going to allow us to raise some issues that are important to my constituents and put some much-needed attention on areas that need to be addressed. But I do think the collaborative spirit here is strong. I think this Assembly is still on track to move mountains and address the challenges we have, again with hope, hard work, and spirit of collaboration and friendship. And I very much look forward to getting to work. And now that we've put the elections out of our way, our last round of elections for a while I hope, we can start that process of getting to work.

I'd also like to thank my family - my wife Colleen, my children Corbin, Eve and Leander. They were here with me every step of the way on the campaign trail. They were attending in the gallery during the last speeches that were made and the elections that were had. And I would not be here without them, and what I do is for my kids and for all of our kids, and it's a constant reminder of who I serve and why I am in this place.

So with that I will say, because we're not sitting again after -- until after the holidays, I'll say Happy Holidays to my constituents and to all of you, and I hope you have time with your loved ones over the break. Thank you.

MR. SPEAKER: Thank you, Member from Range Lake. Member from Nunakput.

MEMBER'S STATEMENT 6-20(1):
GRATITUDE AND HOLIDAY WISHES

MRS. KUPTANA: Thank you, Mr. Speaker. And I'd like to echo my colleagues' comments here. There's a lot of hope in this Assembly, and we're all willing to work together and work hard and lead.

I just want to offer my appreciation to the constituents of Nunakput for electing me. And like I've told them before, I am willing to work and work hard for them, recognizing all the challenges we have, especially in the vast and remote riding that is Nunakput.

Many of us are going through the holiday season and going into this thinking of Christmas and spending time with our family, but I also want to offer condolences to the family, the Chicksi family, the Kasook family in Tuktoyaktuk, the Koudluk family in Ulukhaktok, and also the Taylor family who are experiencing a loss right now, and I want to express my condolences to them. Thank you, Mr. Speaker.

MR. SPEAKER: Thank you, Member from Nunakput. Member from the Deh Cho.

MEMBER'S STATEMENT 7-20(1):
GRATITUDE

MRS. YAKELEYA: Thank you, Mr. Speaker. I would like to thank all my constituents. I am honoured and humbled to be here to serve all my constituents and all my riding of the Deh Cho.

I would like to thank my family, especially my husband Norman and my children for supporting me, as well as my sisters. I have six sisters, and they all supported me and my brother, and all the constituents.

I would like to congratulate the Premier-elect and all the Members of the Cabinet. I wish them all the success in their new roles. I look forward to working with each and every one of you.

And I also want to wish my constituents a Merry Christmas. May you enjoy a safe and happy holiday with your family. I look forward to seeing you all in the new year and getting to business. Mahsi cho.

MR. SPEAKER: Thank you, Member from the Deh Cho. Member from Frame Lake.

MEMBER'S STATEMENT 8-20(1):
GRATITUDE

MR. MORSE: Thank you, Mr. Speaker. First of all, congratulations to our new Premier-elect and to our new Cabinet. I am very excited to work and collaborate with you.

Frame Lake, thank you from the bottom of my heart for putting your trust in me. I am deeply humbled by the election results and promise you I am going to put everything I possibly can into working to represent you, your best interests, and those of the territory. This is not something I take lightly in the slightest and the importance of staying grounded and focused on constituency work is something I am strongly committed to. I want to thank everyone who took time out of their days and evenings to speak with me at the doors, send me messages, and share deeply personal stories about what is important to you and what you want your MLA to achieve.

Thank you to the other candidates who put their names forward. It was a great campaign, and I appreciated how respectful the tone of things stayed while we debated and fought to be the voice for this riding.

Thank you also to all the volunteers who helped me behind the scenes, to those who donated to

my campaign, and everyone who voiced their support. I couldn't have done it without your help.

And an extra special thank you to my beloved partner Rheanna who has been my rock and brought so much peace into my life during the most intense and all-consuming thing I have ever done. And I would like to pay special tribute to my trusty dog Jake who stayed by my side for 13 of the best years of my life and passed away the day after the election. I will deeply miss you, my friend.

Again, thank you so much. I love this territory and care so much about this work. I can't possibly help but throw all of myself into it as I have already been doing. I am looking forward to getting down to business. Thank you.

MR. SPEAKER: Thank you, Member for Frame Lake. Member from Tu Nedhe-Willideh.

MEMBER'S STATEMENT 9-20(1):
THANKS AND CONGRATULATIONS

MR. EDJERICON: Thank you, Mr. Speaker. Mr. Speaker, I want to say congratulations to you as Speaker. In the early days we used to play hockey when we were young and good looking, now we're just good looking.

Also I want to say congratulations to the newly elected Premier R.J. Simpson, and Minister Wawzonek, Minister Cleveland, Minister Kuptana, Minister Semmler, and Minister MacDonald. And I want to say congratulations to all my colleagues, MLAs. I look forward to working with you.

I would like to thank all my constituents, my family, my friends, to represent you as the Tu Nedhe-Willideh MLA for the 20th Assembly. I will continue to work hard and then to advocate your issues to the newly elected Premier and Cabinet and to work together to look for solutions.

Again, I want to say small communities do matter. And I ask that we could work together to help address my own housing issues in my community, ice roads, capital infrastructure needs, and most importantly I need money for doing housing inspections so that we could start working together to address these emergent housing issues in my community.

Also I wanted to recognize all the legislative staff that are here and also the translators. And I want to say Season's Greetings to everybody here and to our home communities. To everybody in the, House I want to say mahsi. I look forward to working with everybody. Mahsi.

MR. SPEAKER: Thank you, Member from Tu Nedhe-Wiilideh. Member for Great Slave.

MEMBER'S STATEMENT 10-20(1):
THANKS AND WELL WISHES

MS. REID: Thank you, Mr. Speaker. I'm not sure how to follow up all of the great statements so far. I would probably repeat a lot of what has been said. But first and foremost, thank you so much from the bottom of my heart for my constituents for Great Slave for placing your trust in me for the next four years. It's something that I take deeply to my heart and I do not take lightly, as my colleague has said already.

I would like to congratulate Premier-elect and Cabinet-elect. I know that you will do great things with integrity, and I am very excited to work with you from this side of the House.

I would like to thank the legislative staff as well. You have made us all feel extremely at home, and I'm not sure how we would have made it through the last few weeks without you.

And finally, I'd like to thank some folks from my campaign, specifically Karen Wasicuna and Jan Vallillee; I love you and I consider you family. Thank you very much for your assistance.

And finally to my blood family, my parents and my chosen family, my husband Eric, you've made this an experience that I will never forget.

I wish all of my colleagues a very Happy Holidays and a safe journey home to be with your family and friends. And I look forward to getting to work with you very soon.

MR. SPEAKER: Thank you, Member from Great Slave. Member from Yellowknife South.

MEMBER'S STATEMENT 11-20(1):

MS. WAWZONEK: Thank you, Mr. Speaker. Mr. Speaker, I also have some thank yous I'd like to take the opportunity to share today. Firstly, this campaign period was, of course, delayed because of the wildfires and the evacuations, and I want to start by saying thank you to all of those who supported our efforts in responding to the wildfires, from the firefighters to those who stayed here in Yellowknife to support efforts in Yellowknife to protect the city, the EMO staff, city emergency staff, and so many public servants and volunteers all working together. So much was accomplished, and I am very grateful for everything they did in keeping all of us and my residents and my constituents safe.

I also do want to extend a great thanks to my neighbours, friends, and constituents here in Yellowknife South. Although I was acclaimed, it still is an opportunity for me to go door to door, to do the forums, to check in with people, and I know that many people had a very hard four years and a very hard summer in particular. It was difficult to come off of that for all of us, but I must say that the opportunity to check in with people and receive their response, their support was tremendous, to hear their encouragement was very helpful because politics can be a bit exhausting at times and very emotional, but it is done for the sake of those we represent. And so to have them give me their encouragement and support was something I am deeply grateful for and want to share that with them. So thank you to my constituents.

I'm also wanting to take the opportunity to thank my campaign team. People perhaps don't realize that even when you're acclaimed you do have to prepare for the campaign, you don't know you're getting acclaimed, and I had people standing ready behind me all the way through and I'm very grateful to them.

And last but not least a thank you to my family, my parents, my spouse, my children, my chosen family here in Yellowknife - all of them give me such support and such joy, it makes doing this job easy. And with that, a Happy Holidays to all those here and safe travels to those who have to return home. Thank you, Mr. Speaker.

MR. SPEAKER: Thank you, Member from Yellowknife South. Member from Kam Lake.

MEMBER'S STATEMENT 12-20(1):

MS. CLEVELAND: Thank you very much, Mr. Speaker. Mr. Speaker, I want to start off by just reflecting on the words of hope and collaborative leadership and also words of eagerness to get to work that we've heard here today from multiple colleagues. I share in that sentiment, and I am glad that that sentiment continues today throughout our statements.

I want to start off by thanking the residents of Kam Lake who, without their confidence, I would not be standing here today, and I am very grateful for their confidence in my ability to serve them for another four years.

You know, when we talk about serving our neighbours, our friends and our family, Kam Lake is very much all of those things for me, and I can tell you there's nothing more difficult than literally knocking on your older brother's door during a campaign period because if you want someone that's going to hold your feet to

the fire pretty hard, it's going to be your older brother. So thank you to him for always holding me accountable.

I would also like to thank, at this point, my constituency assistant Leslie Straker who, for the last four years, has been absolutely dedicated with pride and joy and a ton of integrity to the people of Kam Lake and serving them for any of their needs and doing anything she can to make their lives even a little bit easier. So I have so much gratitude for the love that she brings to this job. And I thank her for that.

I'd also like to extend my utmost gratitude for what I consider one of the greatest supports for my ability to do this job, and that is my support network which is built up of my parents, my husband's parents, my in-laws, and also my friends who are able to pick up my children for me so that I can do this job and to make sure that they get to hockey practice and stuff like that, and so I have the utmost gratitude for people who continue to support all of us in the work that we do because while this is of service to the people in the Northwest Territories, we rely on the North, people of the Northwest Territories, to be able to do this job to the best of our ability.

Mr. Speaker, I couldn't say any thank you's without then thanking my children who are my biggest weakness and my greatest strength. And they are Jackson, Owen, and Dalyn, and also their father Jeffrey Bowden who is joining us here today. And without him, I wouldn't have had the courage to do this job and I wouldn't have the courage to keep doing this job. So I thank him for his unwavering support and patience. And thank you, Mr. Speaker, for sitting there today.

MR. SPEAKER: Thank you, Member for Kam Lake. Member from Inuvik Boot Lake.

MEMBER'S STATEMENT 13-20(1):

MR. RODGERS: Mr. Speaker, first and foremost thank you to the voters of Inuvik Boot Lake. Obviously without you, I would not be here, and I certainly appreciate you putting your trust in me to come down here and work on your behalf.

Congratulations to the Premier and the new Cabinet. I look forward to working with you in the coming four years.

Thank you to my team. Nobody can do this by themselves. Running a campaign, as we all know in this room, is very time consuming. So for all my friends, my team, my official agent Peter Clarkson, and so many -- I wish I could

name them all -- that check in on my mental health, that do the little errands sometimes that you just don't get time to do and continue to reach out and offer to do -- to get my 17-year-old unstuck when he takes my car and runs into a snowbank when I'm not there, so it's been so -- it's been amazing. The people of Inuvik, of Inuvik Boot Lake, my friends, my family, it's just been incredible, and I thank them all very much.

My children - Hayley, Tyler, and Will, my wife who is my rock, who is my sounding board, who keeps me grounded, thank you so much.

And I look forward, again, to working with you all in the coming four years. As we take our break, have a very Merry Christmas, Happy Holidays, and thank you very much.

MR. SPEAKER: Thank you, Member from Inuvik Boot Lake. Member from Mackenzie Delta.

MEMBER'S STATEMENT 14-20(1):

MR. NERYSOO: Thank you, Mr. Speaker. First of all, I'd like to thank the constituents of my riding, Mackenzie Delta, from Tsiigehtchic, Fort McPherson, and Aklavik. I'd like to thank them for giving me this opportunity to represent them in this 20th Assembly of the Northwest Territories.

Furthermore, I would like to congratulate the Premier-elect and the Cabinet-elect for a successful campaign, and I look forward to working with you for the duration of this Assembly.

And I'd like to also congratulate my colleagues, the Regular MLAs, who will be trying to keep the executive accountable to their tasks.

And, finally, to the residents of the Northwest Territories, I wish you all the best for this holiday season and best wishes for the new year. Thank you, Mr. Speaker.

MR. SPEAKER: Thank you, Member for Mackenzie Delta. Member from Inuvik Twin Lakes.

MEMBER'S STATEMENT 15-20(1):

MS. SEMMLER: Thank you, Mr. Speaker. And congratulations, again. Congratulations to our Premier-elect and to all the executive that were elected. And everybody that put their name forward, the one thing that I do believe is that every single speech that we heard yesterday, we all sit around this table, this room, wanting the best for the Northwest Territories. So I am hopeful, and I am happy that we're all in this together.

I'd like to thank my family who are -- who's always got my back, my husband and my two children, my constituents because I wouldn't be here without them. And although I've been elected to the executive, that's not going to change how I've interacted and how my office can assist you. And so that's one thing that I just wanted to make sure that all of my constituents know that they still will be represented.

I'd also like to just thank all of the people that I had on my team as well. My official agent, Janelle Wainman. She has been my friend since she was born, because I'm older than her, so she is one of my very first friends, and she's always been that friend and so I'm glad to have been able to have her for this election and last election by my side as my official agent, even though Denny tried to steal her. And to those elders that gave me advice along the way, not just in this election, throughout my past term and even, you know, the thing is when you're raised by elders -- and that's how we are in the communities -- it doesn't matter how old we are, so I stand here, I had advice from a very strong elder yesterday, and I thank her for that. And I will take her advice and I just want to make that known for her. Because that's what we do as people, we listen. We take the information. And our elders know best. And, you know, that's how we are going to work together as a 20th Assembly. So I want to thank you again, Mr. Speaker, and I look forward to the 20th Assembly working with you all.

MR. SPEAKER: Thank you, Member from Twin Lakes. Member from Yellowknife North.

MEMBER'S STATEMENT 16-20(1):

MS. MORGAN: Thank you, Mr. Speaker. I am grateful to be here and to take on this role and embrace the challenge that we have before us. I want to thank, first of all, my constituents of Yellowknife North for opening their doors to me on countless cold November days and sharing with me so many of their hopes and their fears and their frustrations, especially after what has been a very tough year for many. I truly learned so much. And even though I came in with my platform and my ideas, through those conversations I truly did learn and grow and shift and keep writing and keep changing some of my perspectives as I went along, and I hope to continue to do that throughout the life of this Assembly.

I want to thank my campaign team for supporting me literally every step of the way, walking to all those doors with me, and challenging me when I needed to be challenged.

And I also especially want to thank my partner Eric who has never failed to bring out the best in me, keep reminding me who I am and what I need to do to be the best that I can.

I want to congratulate our new Premier and our new Executive Council. I have full confidence that we're on a good track.

And I finally just want to wish everyone a Happy New Year and hope that 2024 will be a fresh start. I know there's many things that many of us want to leave behind in 2023. And so may 2024 bring all of us love and support from our family, our friends, and community members and our colleagues. May 2024 bring all of us safe and warm homes, good health. May it bring us clean air, clean water, healthy land. May it bring us successful harvest and hopefully a good berry year. May it bring us safe travels and may 2024 bring us joy and peace in our hearts. Mahsi. Thank you.

MR. SPEAKER: Thank you, Member from Yellowknife North. Member from Yellowknife Centre.

MEMBER'S STATEMENT 17-20(1):
ADDICTIONS AND AFTERCARE

MR. HAWKINS: Thank you, Mr. Speaker. Before I begin, I wish to acknowledge you as our incoming Speaker. And I also wish to take the opportunity to acknowledge the Premier and the incoming Cabinet. We have a lot of hopes and ambition for the 20th Assembly. I believe our trust is well placed, and I look forward to seeing how it rolls out. That said, I did want it officially on the record, Mr. Speaker, that no one could ever say I didn't say anything nice about this new Cabinet and leadership, so I truly do deeply wish them well.

Mr. Speaker, my comments will be today specifically about addictions and aftercare. The North is unfairly and disproportionately plagued with addictions, be it alcohol or drug problems. It has plagued our families. It's taking the souls of our loved ones. You know, some may say they're lost, frankly. We know where they are and many of them are in the ditches of emotion. They're trapped in these cycles and terribly in these spins of destruction. We must find a way to help and support them.

There's been numerous calls about addiction treatment programs. I have been one of those echos for years. I believe that we need to move forward.

We've heard countless calls from regions wanting to see regional programs in our communities. Indigenous governments want us to support them on these regional programs.

And whether the treatment programs are on the land programs, we must do what we've been called to do, which is to help save and serve our people.

Mr. Speaker, we must not give up. And frankly, I will not give up on this issue until we find some more action.

Now, someone will always say we don't have any money for that and that may be a fact. But we should be finding money because we need to be making smarter choices. I'm prepared to give up one kilometre of highway or two kilometres of highway, or whatever it takes, to make a better choice by saving people and making sure they're healthy. But if we don't have the addictions aftercare, some of it, not all of it, is for not. And to me, it would be a misstep to go halfway. We need to follow through on the full process by helping people by providing an opportunity. Again, programs and aftercare, whether it's on the land or certainly the right support system so we can complete the package.

And lastly, Mr. Speaker, I wish to thank the constituents of Yellowknife Centre. I wish to thank my wife, her wise counsel constantly, my children, and all the people, including my new family here in the Assembly. I have no doubt that we will be working hard and well for each of us and our communities and our regions for the betterment of people of the North. Thank you, Mr. Speaker.

MR. SPEAKER: Thank you, Member from Yellowknife Centre. Members' statements. Member for Hay River North.

MEMBER'S STATEMENT 18-20(1):

MR. SIMPSON: Thank you, Mr. Speaker. I also want to take a moment to thank my constituents and the people of Hay River. You know, we've had a tough few years in Hay River. It's almost surreal when you think about what has happened. And, you know, even though I'm in a new role now, I want my constituents to know that I will continue to work to address the issues that we're facing now and to prepare so that we don't have to face those issues again in the future. So that work will continue, and that's my commitment, Mr. Speaker.

I want to thank my family for the support they've given me. And I want to thank everyone's family here actually. I don't think people realize the toll it takes on a family when you run for office and when you're in office, and so they carry a lot of that weight and I think they deserve -- that deserves to be acknowledged.

I also want to congratulate all of the Members elected to the Executive Council and all the new Members, all of the re-elected Members. You know, this is quite an adventure that we're all embarking on, and I know we're all looking forward to it.

And, finally, Mr. Speaker, I want to thank you for stepping up and putting your name forward. This role is so important; the role of the Speaker is so important. I've already seen changes that you've implemented, and we're only a few minutes into our first sitting here. And after working with you for the last four years, I know your values and I know your work ethic. I know that the House is in good hands, and I appreciate that. So thank you, Mr. Speaker. Thank you.

I wouldn't quite go generations, but I would certainly say he's been an important fixture of the Assembly, and that should never go unacknowledged, his hard work and dedication.
