

Private Tours and School Tours of the Northwest Territories Legislative Assembly

A visit to the Northwest Territories Legislative Assembly Building is a great way to help people of all ages learn about the unique style of Consensus Government practiced in the NWT.

There are **two tour options** to consider:

1. The Session Visit Program takes approximately one hour and fifteen minutes (details below) and is available when the Assembly is in session. For this program, please refer to the [house planning calendar](#) to select a date when the Assembly will be sitting, then e-mail savannah.lane@gov.nt.ca to book your tour.

Please note that Session begins at 1:30 pm from Monday – Thursday and 10:00 am on Fridays.

The Legislative Assembly can only accommodate 1 school tour per day for the Session Visit Program.

2. A group or class can come in just for a Legislative Assembly Building tour, which takes about 45 minutes. This option is popular with tour groups and school groups visiting outside of Session.

Teachers: Preparing For Your Visit

To help your class prepare for the program, you may want to have your students write a few questions that they can ask their MLA during their visit.

You can find your school and student's constituencies on Elections NWT's [interactive](#) or [printable](#) maps.
