

## Return to Written Question

THE HONOURABLE ROBERT C. MCLEOD  
MINISTER OF FINANCE

### **Performance of the Northwest Territories Liquor and Cannabis Commission**

Mr. Speaker, I have a Return to Written Question asked by the Member for Kam Lake on October 24, 2018 regarding the Performance of the Northwest Territories Liquor and Cannabis Commission.

The Department of Finance has gathered the requested information and later today, at the appropriate time, I will table the spreadsheets that detail the information that the member requested.

The spreadsheets that I will be tabling in the House identify:

1. The total amount of sales for Cannabis by vendor and product provided by the NWT Liquor and Cannabis Commission for the period of October 17, 2018 to December 31, 2018.

2. The total sales of each individual Cannabis product by vendor for the period of October 17, 2018 – December 31, 2018.

3. The total sales of cannabis products purchased through the NWT Liquor and Cannabis Commission online store for the period of October 17, 2018 – December 31, 2018.

The member also requested the quantity and type of cannabis products distributed to each cannabis vendor by the NWT Liquor and Cannabis Commission, but at the time of this report, the inventory on hand for all cannabis product is minimal. This is a direct result of cannabis product shortage across Canada.

Thank you, Mr. Speaker
