

Return to Written Question

THE HONOURABLE BOB MCLEOD
PREMIER

**Government of the Northwest Territories Participation
in the Association for Mineral Exploration Roundup in January 2019**

Mr. Speaker, I have a provisional Return to Written Question asked by the Member for Frame Lake on February 5, 2019, regarding the Government of the Northwest Territories' Participation in the Association for Mineral Exploration Roundup in January 2019.

A full cost accounting and analysis are underway. Given the level of detail asked for by the Member, and the need to consult with NWT Indigenous governments and other key stakeholders as part of the analysis and accounting process, a thorough response will be ready on the first sitting day in May.

Thank you, Mr. Speaker.
