

Return to Written Question

THE HONOURABLE LOUIS SEBERT
MINISTER OF JUSTICE

Land Transfers in the Northwest Territories

Mr. Speaker, I have a Return to the Written Question asked by Mr. Testart on February 23, 2018, regarding land transfers in the Northwest Territories.

Mr. Speaker, information on the number of land transfers by year and community, including the associated dollar value of those land transfers, has been compiled for the period covering 2010-11 to 2016-17. Detailed information prior to 2010-11 is not electronically available and would require time consuming and labour intensive analysis and verification to compile.

Later today, at the appropriate time, I will table the document entitled 'Land Transfers in the Northwest Territories: 2010-11 to 2016-17'.

Thank you, Mr. Speaker.
