Workers' Safety and Compensation Commission Rates

My questions are for the Minister responsible for the Workers' Safety and Compensation Commission. Would the Minister please provide the following information:

1. The classes and subclasses of Workers' Safety and Compensation Commission (WSCC) rates which could be applied to the Government of the Northwest Territories (GNWT), based on the type of work performed by GNWT departments similar to that performed by private industry;
2. The total amount of fees in dollar amount paid to the WSCC by the GNWT in fiscal year 2017-2018;
3. The four-year average of fees in dollar amount paid to the WSCC by the GNWT;
4. The dollar amount of WSCC compensation paid out to GNWT employees in fiscal year 2017-2018; and
5. The four-year average in dollar amount of WSCC compensation paid out to GNWT employees?
