Applications to the National Co-Investment Fund

Madame Speaker, my question is for the Minister responsible for the Northwest Territories Housing Corporation on the National Co-Investment Fund. Can the Minister please provide the status of all applications to the National Co-Investment Fund of which the Northwest Territories Housing Corporation has knowledge, and can the Minister please advise:

1. how many Northwest Territories Housing Corporation employees are currently assigned to work on applications to the National Co-Investment Fund;
2. What percentage of those employees' time is spent working on applications to the National Co-Investment Fund; and
3. What communication activities has the Northwest Territories Housing Corporation completed in support of increasing applications to the National Co-Investment Fund?
