

### Inuvik and Sahtu Sport and Recreation

A regional association like the Mackenzie Recreation Association (MRA) does not currently exist for the Inuvik and Sahtu Regions<sup>6</sup>. MACA has established the Inuvik and Sahtu Sport and Recreation Reimbursement Program to provide programs to communities in those regions similar to some of those provided by the MRA.

In 2021-22, the Inuvik and Sahtu Sport and Recreation Reimbursement Program provided financial support for:

1. Professional Development – provides funding support for individuals from a community government who wish to participate in recreation or sport professional development or training. The purpose of the Professional Development and Training Fund is to build capacity and expertise to provide quality recreation services in the Inuvik and Sahtu Regions.

PASR Contribution - \$45,464

2. Community and Regional Events – the Regional Sport Development Program provides reimbursements of eligible expenses to athletes and coaches to improve participation in physical activity and sporting events, leading to positive, healthy lifestyles.

PASR Contribution - \$0
