Oral Question 197-19(2) Business Incentive Program

This letter is in follow-up to the Oral Question you raised on March 12, 2020, regarding the inclusion of Walmart in the Business Incentive Program (BIP).

I acknowledge that I was unable to provide you with a definitive response to your question, and for that I apologize. I did, however, suggest that issues such as your concern would likely be included in a proposed multi-department review of BIP.

I am therefore directing your concern to the attention of my colleague, The Honourable Katrina Nokleby, Minister of Industry, Tourism, and Investment. Minister Nokleby should be able to provide you with a more definitive response to your question and share with you additional information about the BIP review process.

Caroline Wawzonek
Minister of Finance
