Yes, go ahead. I did not like to see how my concern was deflected so easily. And if they will assist some people that are on income assistance or on disability income I am OK with you tabling the emails.

Thank you,

David

Hi again, David,

There is a limit to how much I can quote from the emails unless I am prepared to make the emails public by tabling them. Do you agree to me making them public? There's a little urgency to this as I am planning to speak to this issue this afternoon.

Thanks.

Julie
