This letter is in follow-up to the Oral Question you raised on February 13, 2019, regarding the recruitment process for an Associate Deputy Minister of Postsecondary Education Renewal.

Dr. Tom Weegar has been hired as the Associate Deputy Minister effective March 04, 2019.

With respect to process I can share that there were five qualified candidates interviewed for the position, however, I am unable to provide further details around the recruitment as this is an internal human resource matter.

Thank you for your questions and interest in this matter.
