Oral Question 1024-19(2) Regulation Making in the NWT

This letter is in follow-up to the Oral Question you raised on March 10, 2022 regarding the review of Cabinet Operational Guidelines to dictate appropriate regulation-making authorities under the law. During our exchange, I committed to reviewing the Cabinet Operational Guidelines on publishing proposed regulations to see if any improvements can be made. In addition to this, I also committed to sharing and engaging with the appropriate committee as part of that review.

In response, I will commit to reviewing the Cabinet Operational Guidelines and to engage with the Standing Committee as appropriate before the end of the 19th Legislative Assembly.

Thank you.
